## Mission Statement

*The mission of the Geriatric Interest Network of the Blair County Region is to maximize the community's awareness of services for older adults and informal caregivers of the region by providing a forum for professional networking among service providers and to enhance the quality of services for older adults in the region.*

## Vision Statement

*The Geriatric Interest Network of the Blair County Region is a freestanding organization of providers of diverse geriatric services or products. The Network assumes a leadership role through the provision of regular forums, which offer opportunities for: education, informal support, networking, advocacy, sharing concerns, and resource integration.*

## The Geriatric Interest Network

The Geriatric Interest Network of Blair County Region is a nonprofit, tax exempt organization. The Network's activities are guided by a Board of Directors and Task Force comprised of professionals representing various disciplines and business segments concerned with aging adults.

The Geriatric Interest Network strives to meet three basic objectives:

- To provide opportunities for networking among professionals from varied services/ disciplines.
- To educate members on issues concerning older adults.
- To share common concerns or views on current issues facing older adults.

## Why Join the Geriatric Interest Network?

The projected population statistics of Blair County show that over 19% of the population is age 65 or older.

The Geriatric Interest Network provides an opportunity for you to learn more about this important group while meeting others who serve older adults.

**Whether your interests are in health care, banking, retail, clergy support or the legal field, the Geriatric Interest Network has something for you!**

For more information visit our website at:  
**[www.ginblaircounty.org](http://www.ginblaircounty.org)**
